

Garden Holiday Gift Ideas 2021

By Ray Novitske, Fairfax Master Gardener

Serious gardeners already have many tools and equipment they need and want. This makes the gardener a difficult person to buy a gift for. We want to present our annual list of holiday gift ideas for the gardener who seems to have everything.

Farmers Sleeves

Gardeners get their arms scratched when pulling weeds, trimming shrubs and harvesting raspberries and strawberries. Protect those arms with farmers sleeves. These polyester-blend sleeves remove moisture and keep your arms smooth while providing protection from UV.
